SOCIETY OF SAINT-VINCENT DE PAUL | ASCENSION CONFERENCE

Happy New Year!

This newsletter highlights key milestones from late 2025 and extends our heartfelt thanks to our many volunteers, as well as to Father John Luxbacker for his continued support.

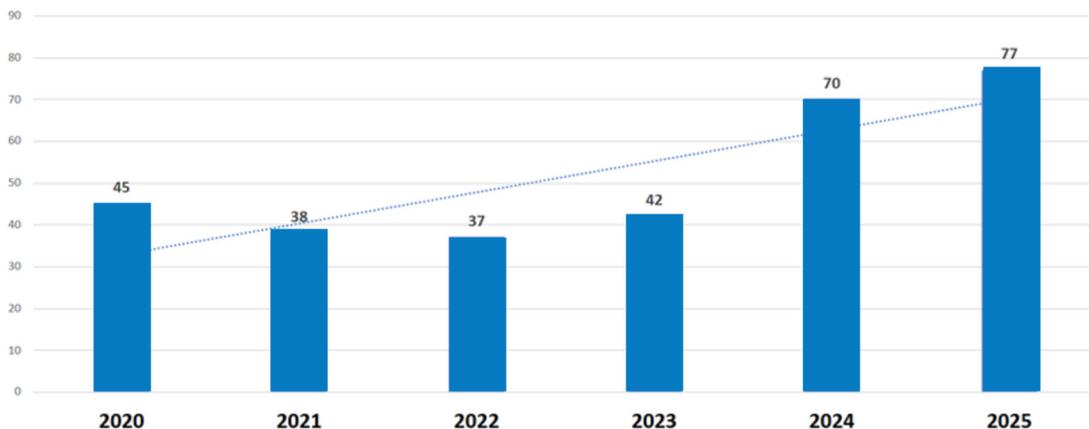

CHRISTMAS FOOD DRIVES

As highlighted in previous newsletters, the Society of Saint-Vincent de Paul is deeply grateful for the continued support from local schools. This year, we organized Christmas Food Drives with the participation of four schools—St. Jerome, St. Josephine Bakhita, St. Clare, and St. Elizabeth Seton. Photos from these wonderful events are shown above.

ANGEL TREE PROGRAM

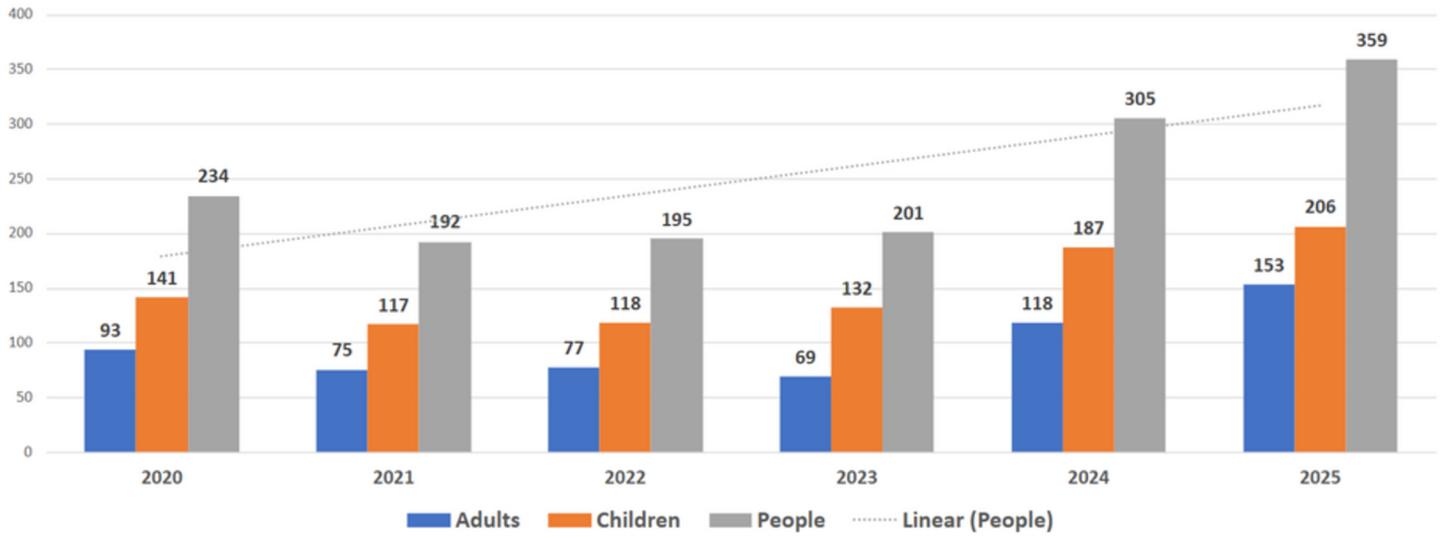

Once again, the Ascension Angel Tree Program was a great success. The graphs below highlight key statistics and insights from this year's event.

CATHOLIC WOMEN'S LEAGUE X SSVP COLLABORATION

In November of 2025, SSVP participated at the CWL Festive Market by purchasing a table. CWL graciously promoted SSVP and requested food donations as admission to the event. In 2026, Ascension SSVP will deepen its spiritual outreach by offering Rosaries for Prayer and Protection to those we serve. These Rosaries will be purchased from the CWL, supporting their ministry and fundraising efforts.

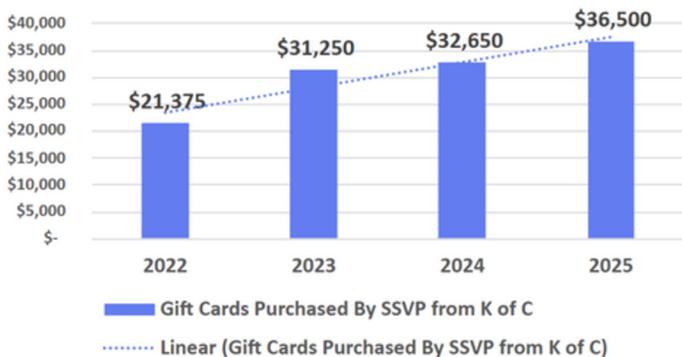

KNIGHT OF COLUMBUS X SSVP COLLABORATION

In 2025, the partnership between the Knights of Columbus and SSVP remained strong and delivered wonderful results, as illustrated in the graphs below.

ASCENSION PARISH AND PRAYER WARRIORS MINISTRY X SSVP COLLABORATION

Through this collaboration, spiritual resources were made available to clients upon request via the Hamper Order Form, including: Prayer intentions, information about Ascension Parish programs and requests for contact from a priest.
